

The 2018 Australian Open

Our Australian Open tennis packages are great for the tennis fan who is looking to cover all of the best action of the tournament. With a guaranteed reserved seat in Rod Laver Arena for your chosen sessions, along with having access to all outside courts (except Margaret Court Arena) you can catch all of the big matches inside or choose to roam the outside courts and stumble across a classic match with the same amount of drama but with a smaller crowd.

Match Tickets

Our reserved seating in Rod Laver Arena is sourced officially through Tennis Australia and as an appointed Official Tour Operator, we are given access to some of the best seating available. Final seating for 2018 won't be known until approximately 1 month prior to the event and is not guaranteed to be in the same locations at previous years. Your ticket gives you a reserved seat in Rod Laver Arena along with having access to all outside courts (except Margaret Court Arena.) Getting There

Package prices do not include flights to Melbourne. As the price of domestic flights fluctuate based on availability, we encourage you to book early. Getting to Melbourne Park is a breeze from our centrally located hotels as all valid Australian Open ticket holders are able to enjoy a FREE tram shuttle service operating on route 70 from the CBD to Rod Laver Arena and Hisense Arena.
