### **Marriott Courtyard San Francisco Downtown**

Whether you are in town for business or leisure, San Francisco Marriott Union Square welcomes you with reimagined rooms, elevated event venues and personalized service. This boutique-style hotel brings guests close to downtown attractions. Explore Union Square, visit Chinatown or catch one of SFO's iconic cable cars. Inside, the redesigned hotel rooms feature plush bedding, flat-screen TVs and live streaming apps, ample desks, Wi-Fi and oversized windows revealing views of San Francisco or the Bay. Club-level rooms grant access to special perks, including free breakfasts and desserts. Suites offer extended living rooms with sofa beds. Indulge in delicious California cuisine and custom cocktails at The Restaurant and bin480. Stay fit by taking advantage of our 24/7 gym.

### **Presidio Golf Course**

Prepare for battle at this historic course that sits on bygone military grounds. Your foe? Wind, fog, rain, cold (sometimes all in one round), and San Francisco's trademark hills. What once was a private enclave for military officers back in the early 1900s has hosted the likes of Babe Ruth, Bing Crosby and Bob Hope, and opened for public play in 1995. Located within a national park just minutes from downtown San Francisco, Presidio is well laid out for walkers and has five sets of tees ranging from just over 4,000 to 6,500 yards that jog through lush stands of eucalyptus and pine. Post-round, retreat to the lofty Craftsman-style clubhouse with its clubby atmosphere, good food and large outdoor terrace with sweeping views of the golf course.

### **Half Moon Bay Golf Links**

If you only have time for one excursion away from the city, 20 minutes south of SFO is Half Moon Bay, a truly "Wow!" oceanfront golf experience. The Ocean Course holes are as good as it gets, running right along the ocean with cliff-hugging drama. The conditions are always superb, as you might expect from a Ritz-Carlton property. The Ocean Course feels like more of a "destination" play because of its spectacular setting with views of the ocean from nearly every hole. No. 18 runs along the cliffs from tee to green and is one of the most thrilling tee shots on a course not named Pebble Beach. Try not to think about the folks on the patio enjoying the view and watching you bring it home!
